

# WEATHER RESISTANT COLOUR MINI CAMERA WITH NIGHT VISION

## SG6153P

### FEATURES

- Weather resistant\* camera ideal for outdoor or indoor applications
- 6 high intensity IR LEDs provide illumination in no/low light conditions
- Color video in standard lighting, automatically changes to B&W video in low light
- Built-in microphone provides audio from the camera to monitor/television
- Easily Connects to any TV or VCR with RCA A/V inputs
- Mounts easily to walls or ceilings
- Includes bonus clip on stand

\* Weather resistant against dust and light rain

\*\*IR illumination range of 6' under ideal condition. Objects at or beyond this range may be partially or completely obscured.

*One of the world's smallest weather resistant miniature cameras, the SG6153 also offers IR (low light) illumination, two camera brackets, true plug-and-play installation simplicity and excellent image quality.*
